

Worship Notes 9.27.20

How is God speaking to me today? (music, sermon, scripture, prayers, etc.)

What are the takeaways from today's service? What is standing out to me?

How did the service challenge me?

Living in faith is something we do daily.
What actions will I take based on today's service?

You are encouraged to use this sheet during worship to help you engage more directly with God and reflect on God's call to you. Keep it in a place where you will be reminded of your responses throughout the week.
